

DECLARATION OF EMERGENCY

Workforce Commission Office of Unemployment Insurance Administration

Employer Requirement to Provide Notification of the Availability of Unemployment Insurance Benefits to Each Employee at the Time of Separation (LAC 40:IV.381)

The Louisiana Workforce Commission (LWC) is exercising the emergency provisions of the Administrative Procedure Act, R.S. 49:953(B)(1) et seq., to promulgate a Rule to address posting of information concerning the availability of unemployment insurance benefits to employees at the time of separation. This Emergency Rule is being adopted to continue in effect the provisions of the Emergency Rule adopted on April 23, 2020.

On January 31, 2020, the United States Department of Health and Human Services Secretary Alex A. Azar declared a public health emergency (PHE) for the United States to aid the nation's healthcare community in responding to the coronavirus disease (COVID-19). The United States Centers for Disease Control and Prevention (CDC) has declared COVID-19 a worldwide pandemic due to its global effect. Furthermore, on March 13, 2020, President Donald Trump invoked the Stafford Act and declared a national emergency regarding the COVID-19 outbreak. COVID-19 has been detected in the State of Louisiana with a growing number of residents testing positive for the disease. There is reason to believe that COVID-19 may spread among the population by various means of exposure, therefore posing a significant risk of substantial harm to a large number of citizens.

This Emergency Rule is necessary to provide employers with guidance about posting information concerning the availability of unemployment compensation at the time of separation. A delay in promulgating this Rule would have an adverse impact on the LWC's eligibility for funding under the Families First Coronavirus Response Act, Public Law (Pub. L.) 116-127, specifically Division D, the Emergency Unemployment Insurance Stabilization and Access Act of 2020. It is imperative that the LWC proceed expeditiously with this Rule because of the precarious position of the immense number of recently unemployed workers due to COVID-19, which is an imminent peril to public health, safety, and welfare that requires immediate action to provide benefits. Failure to adopt this Rule on an emergency basis may delay the receipt of unemployment benefits for those affected by COVID-19, and will result in the LWC failing to receive federal funding, which could imperil the unemployment insurance trust fund.

This Declaration of Emergency is effective August 20, 2020, and shall remain in effect for the maximum period allowed under the Administrative Procedure Act, R.S. 49:953 (B)(1) et seq., or until adoption of the final Rule, whichever occurs first.
